Build your talents and a be a better leader in 6 days

CliftonStrengths® Discovery: Strategies for Success

Discover and engage your strengths. Create awareness and utilise the strengths of others. Find out how to deliver results as an individual and a leader. Just knowing your unique and natural talents is only the beginning of the strengths discovery pathway.

Have you ever wondered what stops you from being at your best?

This CliftonStrengths® coaching program will facilitate the application of your unique talents. With your commitment and willingness, it has the potential to change the way you live and work. You will learn how to identify what you do best and how to maximize your potential using your CliftonStrengths®

Self-discovery happens when you are committed to understanding and investing in your "superpowers." Discover your amazing talents and bring them to life. Go beyond basic self-awareness and; identify ways to invest in your strengths and apply them in your work and life.

Length:

6 x 60-minute sessions

Who Should Attend:

This coaching program is for individuals who want to reach their full potential by using their natural talents. You will learn how to focus on and invest in your dominant talents through integration into your daily activities.

What Will You Gain?

During this program you will:

- Gain insights into your natural talents by working with your CliftonStrengths® 34 results report.
- Get new strategies to help you apply your talents and increase your effectiveness in work and life.
- You will discover how to make a difference by doing more of what you naturally do best.
- You will acquire tools and insights that will help you apply your strengths to achieve greater productivity, engagement and happiness.
- You will understand how all your CliftonStrengths® themes, separately and together, play apart in how your influence others.
- You will develop strategies to assist in utilising your top talents to achieve specific goals and aspirations.
- You will think about how combining talents with others' assist you to achieve greater success.
- Understand how strengths work together and develop strategies to help you navigate and manage lesser themes at the bottom of your strengths profile.
